

GBV REFERRAL PATHWAY – BANADIR 2019

Adopted from Mogadishu CP and GBV WG Guide (Jan 2012)

ATTENTION!

Interviewing children under the age of 18, and/or documentation of cases involving children under the age of 18, should be done in the presence of a trusted adult or caretaker, as chosen by the child.

GUIDELINES

- Always observe the guiding principles of **CONFIDENTIALITY, SAFETY, RESPECT, DIGNITY AND BEST INTEREST OF THE CHILD**
- No decision is made without the **INFORMED CONSENT** of the survivor, and **PARTICIPATION** by children
- Conduct discussions in private settings with same-sex staff
- Be a good listener, and non-judgmental
- Be patient; do not press for information the survivor does not want to share
- Ask only relevant questions; avoid the survivor having to repeat her story multiple times
- Do not laugh, show disrespect or disbelief; **NEVER** blame the survivor
- At all times, prioritize the safety and security of the survivor as well as involved staff, volunteers and service providers

Possible Results of Seeking Support (SURVIVOR INFORMATION)

BENEFITS

- Treatment of injuries
- Access to medical care within three days (72 hours) for post-exposure prophylaxis, and within five days for emergency contraception and STI prevention
- Access to emotional and psychosocial support
- May be able to conduct forensic report and file case with police/court if survivor chooses

CONSEQUENCES

- Compromised confidentiality and safety
- Possible inappropriate treatment by service providers
- Incident reported to others (community leaders, etc.)

IF THE SURVIVOR HAS GIVEN CONSENT, THE IMMEDIATE RESPONSE SHOULD BE:

SEXUAL VIOLENCE

Ensure immediate (within 3 days, or 72 hours) access to medical care

PHYSICAL VIOLENCE

It is advisable to seek medical care

IF THERE IS AN IMMEDIATE RISK OF SAFETY OF THE SURVIVOR:

PRIORITIZE SAFETY & SECURITY OF THE SURVIVOR!

- Safe spaces (formal or informal) for women and girls
- Alternate place to live or temporary shelter
- Relocation to other district
- Interim care of children

PRIORITIZE HEALTH CARE!

GBV PREVENTION INITIATIVES

All organizations mentioned above implement GBV prevention initiatives in the communities they work in except Khaliif Huudow Human Rights Organisation (KAHRO) and SIHA Network.

This pathway was developed in November 2019 and the should be updated each year for effective referrals and service provision.
